THE TEAM

Nozuko Belinda Twani

Founder & Managing Director of TAA

She is a well-seasoned professional and a business woman who offers dynamic thinking, analytical & problem-solving skills gained from diverse experiences over the years. Before founding Twani & Associates Attorneys, Nozuko served her articles at Young Earth Attorneys a boutique firm under her principal and a Senior Attorney Marguerite Davis specialising in commercial property law including real estate and conveyancing, structuring of property transactions, commercial, residential and notarial leases; land use, planning, development; environmental law, renewable energy transactions and related authorisations. She also went through job shadowing at Wolhuter Attorneys under supervision of Lourens Grobler a litigation attorney for a period of five months in 2021.

Her areas of practice are commercial, administrative law, administration of property, wills and estates; mining law, renewable energy, and environmental law and civil litigation. She is an aspiring Conveyancer and currently busy with the relevant board exams.

Qualifications and Academic Achievements:

LLM in Environmental Law & Governance from North West University, LLB from UNISA, Diploma in Road Transport Management from University of Johannesburg, Certificate in Management Development Program from LDI & Fort Hare Rhodes, Supervisory Development Program from Regenisys Development Institute, B-Tech degree in Marketing, She also enrolled in few short courses including, LexisNexis Convey Transfers, LEAD Advanced Drafting Skills for Contract, LEAD Drafting Heads of Arguments, Manage Construction Contracting Business, Fundamentals of Project Management, Accident Investigation & Root Cause Analysis Techniques. She is an accredited Assessor and certified in Coaching and Mentoring.

In 2022 she received a prestige award for academic excellence in Mining Law and my mini dissertation on Local government's legal accountability for environmental damage in the context of environmental rule of law. She is an author of an article "The legal accountability of local government in South Africa for the failure to deliver sanitation services" recently published in the South African Journal on Human Rights.

Careers

She is also a member of the South African Woman in Construction & Built Environment "SAWIC & BE" and serve in the SAWIC & BE Western Cape extended committee as a Legal Advisor. She has a previous background on construction wherein she managed a R 67 Million low cost houses project with her former construction in the Eastern Cape. She also has a corporate background gained from various organizations with the likes of Eskom Holdings for +8 years as a Senior Account Executive for fleet management, Communication department of Water Affairs & Forestry etc.

THE TEAM

Malusi Ncolo

Senior Associates Director

He has over 20 years of experience in legal practice. He brings vast experience and strong communication skills having acquired such skills in many years of drafting legislation for national Parliament, providing legal advice senior government officials of the various Departments, State Owned Enterprises and for members of Parliament. He also drafted legal advice for many State Owned Enterprises including Public Investment Corporation (PIC), Sentech and others.

His areas of practice are drafting of various legislation in South Africa and provision of legal advice; for instance the Unemployment Insurance Amendment Act, Broadband Infracore Act, 2007, South African Languages Act, 2014 Military discipline Bill and many other legislations. He participated in drafting of the extension of agreement in respect of the Lesotho Highlands Water Project in 2013 between the Republic of South Africa and Lesotho. He gave legal advice to State Owned Enterprises or Public Entities that are involved in construction and supply chain management in respect of GCC, FIDIC and NEC commercial contracts. He drafted legal advice in respect of FIDIC, examining the roles of Employer and Engineer so as to highlight the essential differences under FIDIC contracts and the issue of notices, claims and timebars.

Qualifications and Achievements:

BProc and LLB

Careers

In 2000 up until December 2001, Malusi was employed as a Public Prosecutor at Mitchells Plain Magistrate Court in Cape Town. In 2002 up until March 2004, he was employed at Mfazi Kose Attorneys in Cape Town as an Associate Attorney. His main functions were to do litigation in the Magistrate's Court and High Court, draft court pleadings, drafting of commercial contracts and assist in conveyancing and notarial work. In April 2004, he was appointed as a Senior State Attorney in the unit called the Constitutional Litigation Unit (CLU).

In 2006, he was employed as a Senior State Law Advisor at the Office of the Chief State Law Advisor within the Department of Justice and Constitutional Development. The mandate of this office, amongst others, is to draft the Bills that must be enacted by the national Parliament of the Republic of South Africa, draft legal opinions for national Cabinet, give legal opinions in respect of commercial agreements or contracts that are to be entered into by the Government, Public Entities and State Owned Enterprises with other Parties; International Agreements to be entered into by the Republic of South Africa and other foreign countries.

THE TEAM

Ayesha Moodley

Consultant Conveyancer and Notary Public

She has spent more than 10 years of her career working in the legal industry developing a sound knowledge of the law and therefore she brings a diverse skill set and knowledge drawn from experience both in and out of the legal sector. She joined Hunts Attorneys in 2014 as a Candidate Attorney. In 2016 she was admitted as non-practicing attorney of the High Court wherein she later joined a short-term Insurer as a Legal Manager. She successfully wrote and passed the Notary Public exams in 2020 and the Conveyancing exam in 2021. She was admitted as a Notary Public and Conveyancer in February 2022 and completed the Practice Management Course in the same year. She has been consulting for EMG Attorneys in the last year and has recently (January 2023) launched Ayesha Moodley Attorneys

Qualifications and Achievements:

Paralegal Diploma from Intec College in 2002, Bachelor of Laws Degree, from the University of South Africa in 2014.

Careers

She also has vast experience in insurance law as well as debt collection and she is now excited about being able to register various notarial deeds, including ante-nuptial contracts for clients, together with conveyancing property transactions. bridging gaps for our own
